Your Path to Success

## Premier Tutoring and Test Preparation

REACH THE  
PEAK OF  
ACADEMIC  
SUCCESS

At Vogel Prep, our goal is to make summer memorable and productive. Our flexible, personally tailored tutoring services provide students with the environment, resources, and attention he or she needs to make this season a productive one. Summer break is the ideal window in which to develop new skills and sharpen existing ones. With course offerings such as Computer Programming (Coding), Essay Writing, Public Speaking, Study Skills, AP class preparation, PSAT/SAT and ACT prep, and many more, students can focus on academic challenges and enjoy direct results.

We've worked alongside countless students, and no two are quite alike. At Vogel Prep, we understand that learning styles and personal goals vary, so no

matter the needs or interests of a student, our tutor matching process provides a great fit. Every one of our tutors holds an advanced degree—either a Master's or PhD—and years of professional teaching experience as well. Our tutors will work alongside your student to develop custom-made strategies to boost skills, scores, and lasting follow-through.

In Arizona, summertime can mean a lot of travel is in store. To best suit your seasonal schedule, Vogel Prep offers one-on-one tutoring sessions, in addition to regularly occurring pre-scheduled courses that are ready to join. Our one-week intensive courses usually provide exceptional results without a cumbersome time commitment. We value quality over quantity, so our tutoring services focus on personalized study

strategies that target academic weak spots through thoughtful and detailed methods. With just 24 hours of dedicated time within our SAT tutoring regimen, students average a score increase of 150 to 200 points. Those prepping for the ACT expect similar results, with scores leaping 4 to 6 points or more. At Vogel Prep, we study smarter, leaving ample time and energy for students to enjoy the rest of Arizona's fun summertime activities.

This summer, make time to get ahead. With a dedicated and experienced staff of educators and a proven approach to study strategy, Vogel Prep can take your summer to the next level, with results that will resonate in the school year to come.

## PRIVATE TUTORING

All grades. All series. All programs. All subjects. All levels.

Your student. Your time. Your tutor. Vogel Prep provides your student with its unequalled combination of proven strategies, curricula, workbooks, and—of course—the valley's best tutors. Select the series and program you are interested in, let us know your schedule, and we can always try to accommodate your needs in a private or semi-private format.

### TEST PREP

#### ACT vs. SAT COMPARISON TEST

FREE

Which test is right for your student?

All colleges in America now accept either the ACT or the SAT. In fact, some colleges accept ACT results as a replacement for SAT and SAT Subject Tests. Which test a student should take is a critical and individual decision. Most students naturally excel on one or the other of these tests, sometimes by a big difference. Take our highly predictive ACT vs. SAT Comparison Test to find out which test is best for you.

#### Q-READ

\$750

3-6 Students

Reading well is essential to student success. Quality reading addresses many things: comprehension, understanding, critical thinking, and efficiency. Students will learn to remember information, understand basic content, and interpret material effectively. Academic reading skills will include: annotating texts, predicting quiz questions, identifying main topics, and developing the ability to move from the literal to the figurative when reading. Students will have homework, including reading and eye speed exercises to improve speed and focus.

An excellent tool for students who do not enjoy reading or need to improve their reading test scores significantly, Q-Read is a comprehensive reading program that provides your student with the tools necessary to make learning fun. A student who goes through our Q-Read program will enjoy lifelong learning and years of personalized entertainment. Homework and long reading assignments will become less stressful, and improved comprehension will reduce re-reading or arduous reading experiences.

#### MINDPRINT U

\$750

3-6 Students

Every student has cognitive patterns that are as unique as their fingerprints, but unlike fingerprints, those patterns impact a student's academic success. The MindPrint assessment measures ten critical skills in the cognitive areas of Speed, Executive Functioning, Complex Reasoning and Memory. The assessment generates a MindPrint Report that will provide strengths and weaknesses for each student. MindPrint U provides a custom Toolbox and Action Plan based on each student's profile. This program is suitable for all students who would like to work on their personal development program. Our goal is to help each student understand and develop their unique cognitive gifts and opportunities. Students from all academic backgrounds can benefit from this program. The class will provide a comprehensive road map for each student's success in various academic subjects. This workshop will widen students' understanding of their own cognitive maps. **Please bring your laptop.**

*MindPrint assessment must be completed by 7/10. Students who have already paid for the MindPrint Assessment will receive \$200 off the course fee. Choose U-MSU (Grades 6-8) or U-HSU (Grades 9-12).*
